### **Alexander City Driver License Examining Office to Close Temporarily Pending Relocation**

MONTGOMERY — Effective 5 p.m. Thursday, Sept. 21, driver license examining services will be temporarily unavailable in Alexander City pending the office's relocation from 217 Madison St. to a county-owned facility at 395 Lee St. The new location currently is being remodeled and should be ready for occupancy in two to three months.

In the interim, examining services in Dadeville will be expanded. Beginning Monday, Sept. 25, the Dadeville examining office, located in the Tallapoosa County Courthouse, will increase days of operation to four days each week, opening on Monday, Tuesday, Thursday, and Friday. Office hours will be 8 a.m. to 4:30 p.m., with the office closed for lunch from 12 noon to 1 p.m. This four-day schedule will continue until the new Alexander City examining office reopens.

"We regret any inconvenience this temporary closing may cause to driver license customers in the Alexander City area," said Public Safety Director Col. W.M. Coppage. "The extended days of operation in Dadeville should help bridge the gap until the Alexander City office reopens in its new location."
